[About Robyn](#) & the Basis for Her Recommendations

PLEASE NOTE

This is the 10/23 edition of Robyn's LOS ANGELES County Picks. During election seasons, sometimes updates become necessary. Any significant updates will be noted here.

**UPDATE:** On 10-25 the local races / measure section was significantly updated; many additional measures were added.

I (Robyn) consulted numerous advisors/sources in the process of making my website recommendations. This voter guide contains a combination of my direct recommendations, as well as those compiled from trusted conservative advisors and sources.

**DISCLAIMER:** Most of the candidates on my recommendation list are good or excellent. Some, however, are simply better than the opponent or listed as a way to block the worst candidate in the race.

My recommendations do not imply support for every position, vote, statement, or behavior of a candidate. I have made these recommendations as a private citizen, and not as a representative of any organization.

**IMPORTANT:** if you are unsure about a race, It is ok to leave it blank and vote on everything else.

It is **ok to vote for fewer candidates** than the available seats in a race.

### **1) STATE PROPOSITIONS**

## **VOTE NO ON PROPOSITION 1!** **The Unlimited Abortion Constitutional Amendment**

Please share widely how extreme this proposition is! If Proposition 1 passes, Abortion in California will be legal - with no limitations- up to the moment of birth! Even most pro-choice Californians oppose that! [POLLING](#) shows that the majority of Californians oppose limitless abortions.

Visit [StopProp1.com](http://StopProp1.com) for more information and resources that you share with your friends and family about this cruel and extreme proposition. See their powerful NO on **PROP 1 Infographic** in both [ENGLISH](#) and [SPANISH](#).

*See what else is terribly wrong with Prop 1 [HERE](#).*

---

**PROPOSITIONS**, continued:

NO on PROP 26: (In-Person Sports Wagering)

NO on Prop 27: (Online Sports Wagering)

NO on Prop 28: (Funding for Arts and Music)

NO on Prop 29: (Unionizing Kidney Dialysis Clinics)

NO on Prop 30: (Income Tax Increase/Electric Charging Stations)

NO on Prop 31: (Flavored Tobacco Ban)

## 2) STATE RACES

### GOVERNOR: [BRIAN DAHLE](#)

Brian is a California State Senator who has a strong conservative voting record. See Brian's Commitment to California on these important issues:

- Cost of Living, Crime, Homelessness
- Water, Education, Energy Independence
- State Bureaucracy, and more

### LT. GOVERNOR:

[ANGELA UNDERWOOD JACOBS](#)

### SECRETARY of STATE: [ROB BERNOSKY](#)

### CONTROLLER: [LANHEE CHEN](#)

Lanhee Chen is running on fiscal/transparency issues. He is highly qualified for that task. Very impressive resume. Chen is "pro-choice" (but does not support late-term abortions). **Chen is far preferable to his far-left opponent, Malia Cohen**, who supports Prop 1. (Robyn's note: [California's radical Proposition 1 allows for abortion through all nine months of pregnancy.](#))

### TREASURER: [JACK M. GUERRERO](#)

### ATTORNEY GENERAL: [NATHAN HOCHMAN](#)

Nathan Hochman has experience as a prosecutor and private practice general counsel handling cases involving corrupt government officials, tax evaders, narcotics traffickers, and violent gang members. Very impressive resume. He is running on issues of CRIME, Fentanyl, Homelessness, and Human Trafficking.

Note: After the primary, Hochman came out as "pro-choice." In my opinion, he is still **preferable to our current, far-left, extremely Pro-Abortion Attorney General Bonta**. (If you think differently, you always have the option of skipping a race.)

### INSURANCE COMMISSIONER:

[ROBERT HOWELL](#)

### SUPERINTENDENT of PUBLIC INSTRUCTION

[LANCE CHRISTENSEN](#)

(Please do NOT vote for our current SPI, Democrat Tony Thurmond.)
