A) For those who viewing a paper copy of this voter guide, you can access the online version, here: <https://robynnordell.com/county/orange/>

B) **If you are uncertain about a certain race, it's ok to leave it blank.** This will not invalidate your ballot.

C) **It is ok to vote for fewer candidates** than the available seats in a race.

D) ABOUT THESE RECOMMENDATIONS

I (Robyn) consulted more than twenty sources/advisors in the process of making my recommendations. There are likely some good candidates whose names won't appear on the list (due to not knowing them, too many good candidates in the same race, or other factors.)

[About Robyn / Basis for Her Recommendations](https://robynnordell.com/about-robyn/)

E) DISCLAIMER

Many of the candidates on my recommendation list are excellent or good. Some, however, are simply better than the opponent or listed as a way to block the worst candidate in the race. My recommendations do not imply support for every position, vote, statement, or behavior of a candidate. I have made these recommendations as a private citizen, and not as a representative of any organization.

VOTE FOR THE TRUMP/PENCE TEAM!

[Presidential Voter Guide](#)- Easy to Read chart on differences between Trump and Biden

MORE DETAILS

Like some of you, I have been disappointed by many of Donald Trump's disrespectful tweets and rude comments in the last four years. However, the decision to vote for a Trump/Pence administration is an easy one for me.

I am voting FOR: Trump's **APPOINTMENTS**: Supreme Court Justices, other federal judges, ambassadors, the cabinet/executive departments, executive agencies and more than 50 independent federal commissions, etc.

I am voting FOR: the **POLICIES** of Donald Trump and Mike Pence and the Republican Party.

[Trump administration's many conservative accomplishments on family, religious liberty, international religious freedom, and life](#)

I am voting AGAINST: the Biden/Harris' far-left appointments, policies, and agendas.

"The Democrats have moved further to the left, in the direction of a highly government-regulated, oppressive,

anti-Christian, quasi-socialist country, then we have ever seen in our history. Is there no level of harmful policies that a party could advocate that would cause you to rise up and do what you could to stop them?"

See **Grudem's POINT #10** for a list of Republican Party policies vs. Democrat Party policies.

10) LOCAL MEASURES

**SOURCE of these recommendations
on LOCAL MEASURES:**

My smart, conservative friend and research buddy,

allow the Cypress City Council 60 days to fill a CC vacancy, rather than the current 30 days. I think this extension is reasonable.)

Q - [CITY OF COSTA MESA Retail Cannabis Tax and Regulation Measure](#) -- **NO** (a “no” vote would continue the existing prohibition on retail and delivery of cannabis in the City).

S - [CITY OF FULLERTON Community Services, Street Repair, and Emergency Response Measure](#) -- **BIG NO** (a “NO” vote rejects the measure to increase the City’s Sales Tax by 1.25% [raising it to 9%], to be used for City Services).

Robyn’s Notes: I live in Fullerton and am in full agreement with Nancy Sandoval on this:

**NO ON MEASURE S-FULLERTON’S
BIG SALES TAX INCREASE!!**

Robyn adds this Excerpt from the official “Argument Against Fullerton’s Measure S” statement:

“The ballot measure title is deceitful. This massive tax increase is not dedicated to fix Fullerton streets, which are rated the worst in Orange County by OCTA. Rather, the money would go into the General Fund and could be used for anything.

This 1.25% sales tax increase would be permanent. It is general, not specific, meaning the City Council could spend this money on salaries and pension benefits for City Administrators and other City employees...”

U - [CITY OF FULLERTON FIREWORKS BALLOT MEASURE](#) -- **NO** (a “NO” would leave in place the existing ordinance which permits safe and sane fireworks sales)

Note: ROBYN also agrees with Nancy: “NO” vote on Fullerton’s Measure U.

V - [CITY OF LAGUNA WOODS Advisory Measure on Marijuana Dispensaries](#) -- **NO!** (a “NO” vote

supports the existing municipal code of PROHIBITING marijuana dispensaries in Laguna Woods).

W - [CITY OF LA HABRA Cannabis Business Tax/Regulation Ordinance of 2020](#) -- **NO!** (a “NO” vote would NOT allow the LA HABRA City Council to give permits for cannabis businesses.)

X - [CITY OF LA HABRA Citizens Initiative for Preservation of Open Space in La Habra](#) – **NO!** (Measure X, is Citizen-driven and asking for Voters approval before any development of city “Open Space”. BACKGROUND: The city-owned parks, ie “Open Space” already require voter approval before development. Of the 2 remaining “Open Spaces” in LH, the main focus is on 151 acres, currently used as Westridge Golf Course. However, this “Open Space” golf course is “Privately Owned”. If Measure X passes, it quite likely could be declared “illegal”, if the golf course owners chose to sue.

I [Nancy Sandoval] live in Mission Viejo, and my city recently had a similar situation. However, it was amicably and legally settled when the City of Mission Viejo “PURCHASED” the Casta Del Sol Golf Course. As a Conservative, I believe in PRIVATE PROPERTY RIGHTS. “Open Space” should not just be taken from an owner! MV did it correctly to save their “Open Space” (though I question, should MV should be in the Golf Course business?) I recommend a “NO” on Measure X.

Y - [CITY OF LOS ALAMITOS Quality of Life, 911 Police Response, Business/Job Protection Measure](#) -- **NO!** (a “YES” would raise the Los Alamitos Sales TAX by 1.5% to [raise it to] 9.25%, one of highest in OC. I know this City is hurting due to COVID, and revenues are down, but once a TAX INCREASE is approved, it is NEVER GETS DECREASED.)

Z - [City of Newport Beach Addition of Harbor Commission to the Newport Beach City Charter](#) **YES!** (All conservatives in this city are saying they are supporting)

Regarding my recommendations: Many of the candidates on my recommendation list are excellent or good. Some, however, are simply better than the opponent or listed as a way to block a worse candidate. Disclaimer on page 1.

AA - [CITY OF ORANGE, The Trails at Santiago Creek Open Space and Residential Project](#) **YES!**

(I [Nancy Sandoval] have read all I can about this measure, and I think the City Council has done a good job, in trying to meet what Orange citizens have asked. It is time to move on and redevelop this long-disputed gravel quarry, etc.

(3) four (4) year terms for the offices of Mayor or Council Member, collectively)

SOURCE of recommendations for all of these LOCAL MEASURES:
[Nancy Sandoval, of nancyspicks.com](#)

If approved, approximately 40.7 acres of the site would be designated LOW DENSITY RESIDENTIAL (128 Single Family Resident homes, max). The remaining 68.5 acres of the site would be designated "OPEN SPACE". The Zone Change, if approved, would become part of the city's General Plan.

A "YES" also provides an additional \$2 million dollars for equestrian and capital improvements, provides \$4.1 million dollars in greenway improvements for Santiago Creek, funds \$1 million dollars for local trail improvements, and provides approximately \$1 million dollars for local traffic improvements. These funds would undoubtedly come from the developers of the 128 homes. If I lived in Orange, they would have MY VOTE.)

BB - [CITY OF SAN CLEMENTE, City Council Term Limits](#) -- **YES!** (a "YES" puts LIMITS on the City Council terms of service to 2 consecutive 4-year terms, w/ ability to again serve after being off the City Council for no less than 2 years?)

CC - [CITY OF TUSTIN Limited Council Compensation](#) -- **YES!** (a "YES" allows the City Code to be changed to allow City Councilmembers to receive compensation of \$600/mo. Tustin is one of the few remaining OC cities who do not get any compensation. I think this is justified, as some councilmembers are not "people of means", and \$600 could pay for babysitters (or whatever!) while they serve the City of Tustin. In comparison, my city Mission Viejo, [council members] receive \$1,000/mo.

DD - [CITY OF WESTMINSTER Term Limits](#) -- **YES!** (a "Yes" vote puts LIMITS on the City Council terms of service to a single lifetime term limit of three
