NOTES:

A) 10-29-20 UPDATE: The LOCAL races / measures (sections #6-#10) were substantially updated today!

B) If you are uncertain about a race, it's ok to leave it blank. This will not invalidate your ballot.

C) It is ok to vote for fewer candidates than the available seats in a race.

D) ABOUT THESE RECOMMENDATIONS

I (Robyn) consulted more than twenty sources/advisors in the process of making my website recommendations. For local San Bernardino races (schools, cities, waterboards, etc.), I used a combination of SB GOP endorsements, internet searches, plus the advice of several advisors and other sources. There was one gentleman in particular who was such a major help! A big thanks to all of you!

E) DISCLAIMER

Many of the candidates on my recommendation list are excellent or good. Some, however, are simply better than the opponent or listed as a way to block the worst candidate in the race. My recommendations do not imply support for every position, vote, statement or behavior of a candidate.

I have made these recommendations as a private citizen, and not as a representative of any organization.

2) PRESIDENTIAL RACE

VOTE FOR THE TRUMP/PENCE TEAM!

[Presidential Voter Guide](#)- Easy to Read chart on differences between Trump and Biden

MORE DETAILS

Like some of you, I have been disappointed by many of Donald Trump's disrespectful tweets and rude comments in the last four years. However, the decision to vote for a Trump/Pence administration is an easy one for me.

I am voting FOR: Trump's **APPOINTMENTS**: Supreme Court Justices, other federal judges, ambassadors, the cabinet/executive departments, executive agencies and more than 50 independent federal commissions, etc.

I am voting FOR: the **POLICIES** of Donald Trump and Mike Pence and the Republican Party.

[Trump administration's many conservative accomplishments on family, religious liberty, international religious freedom, and life](#)

I am voting AGAINST: the Biden/Harris' far-left appointments, policies, and agendas.

"The Democrats have moved further to the left, in the direction of a highly government-regulated, oppressive, anti-Christian, quasi-socialist country, then we have ever seen in our history. Is there no level of harmful policies that a party could advocate that would cause you to rise up and do what you could to stop them?"

See **Grudem's POINT #10** for a list of Republican Party policies vs. Democrat Party policies.
