### Notes:

#### About These Recommendations

I (Robyn) consulted more than twenty sources and advisors in the process of making the recommendations on my election website. I list those candidates whom I believe are the **best of the available choices** within a given race. Many of the candidates on my recommendation list are excellent or good. A few, however, are simply better than the opponent.

My recommendations do not imply support for every position, vote, statement, or behavior of a candidate.

#### Additional Note:

If you are uncertain about a race, it's ok to leave that one blank and vote on everything else.

## 1) STATEWIDE RACES

### Governor: I'm voting for STEVE HILTON

*Both STEVE HILTON and CHAD BIANCO are (mostly) conservative and either of them would make a good governor.*

Having said that, I believe that Steve has better policy plans and better strategies for governing. SEE [Steve's Key Policies](#). Some of you may be especially interested in checking out his "Family First Agenda" policies.

I especially like the strategy of "the Golden Ticket" slate that Hilton has created, along with the following candidates: Gloria Romero (for Lt. Gov), Michael Gates (for AG), and Herb Morgan (for Controller). They have been developing plans so that they can hit the ground running when/if elected, working synergistically and efficiently on important issues. Gloria Romero explains it [HERE](#). Gloria is an expert on the legislative process.

Important: Please do **not** vote for any candidate other than Hilton or Bianco (especially not a write-in candidate). A vote for any other candidate hurts the Republicans and helps the Democrats.

### Lieutenant Governor: [GLORIA ROMERO](#)

Part of the "Golden Ticket" slate.  
(Although the candidates on this slate are running as a team, each candidate will be voted on individually.)

**Gloria Romero** is a former democrat legislator and was the CA Senate Majority Leader from 2005 to 2008. She is an expert on the legislative process and on dealing with various unions.

Over the years she became a big advocate of charter schools, often working with people (regardless of their political affiliations) to promote and defend them. She re-registered as a Republican in the Fall 2024.

While she is not a solid conservative on every issue, she voted for Trump in 2024. She is strong on parental rights, education issues, and is excellent on protecting

### **Measure X (NO)**

#### ***City of Loma Linda Sales Tax Increase***

“Imposes a new costly sales tax despite massive levels of wasteful spending, giving government workers massive salary hikes and pension spikes, and awarding contracts to political supporters without fair and open competition.”

• [Loma Linda, California, Measure X, Sales Tax Measure \(June 2026\)](#):

A "yes" vote supports enacting a sales tax at a rate of 1% to fund general city services.

A "no" vote opposes enacting a sales tax at a rate of 1% to fund general city services.
